

FAQs on National Integrated Database of Hospitality Industry (NIDHI)

Q.1 What is NIDHI?

A: NIDHI is an acronym of National Integrated Database of Hospitality Industry. It is a digital platform which is accessible from <https://nidhi.nic.in> where all accommodation units can register themselves to become part of the hospitality industry. Registration with NIDHI will ensure electronic delivery of various services and benefits to the hospitality units.

Q.2 Are NIDHI and HOTELCLOUD same?

A: Yes, both are same. Hotelcloud (<https://hotelcloud.nic.in>) has been rechristened as NIDHI (<https://nidhi.nic.in>). Even, if you browse <https://hotelcloud.nic.in>, you will be redirected to <https://nidhi.nic.in>.

Q.3 What is the Process of Registration on NIDHI?

A: You can register any accommodation unit on nidhi.nic.in by clicking on REGISTER Now link and supplying the required information online and finally submit. Subsequently, it will be verified by Nodal Officer of the respective state. After verification, process of registration is complete and the accommodation unit is verified one.

Q.4 Does registration on NIDHI require some documents to be uploaded?

A: No, It does not require any document to be uploaded or submitted.

Q.5 What are pre-requisites of SAATHI self-certification for Accommodation Units?

A: Accommodation units have to be registered on NIDHI and verified by respective nodal officer before taking self-certification on SAATHI platform (<https://saathi.qcin.org>).
